Side Letter of Agreement – Librarian Unit Members

Librarian unit members may fully participate in library task forces, working groups and committees, including faculty committees by invitation. In addition, they are entitled to all of the provisions of the AAUP-BHSNJ collective negotiations agreement unless otherwise noted.

Librarian unit members will make a determination on or about June 30, 2017 as to whether they will remain staff members or will become faculty members. If they choose to become faculty members, the University and AAUP-BHSNJ will commence negotiations to address provisions other than salary.
